

## Retrofit kit digital PROFI coupling (NEM 652)

Art. No.: 651581

€102,90

Digital coupling installation kit consists of 2 couplings and an 8-pin decoder with cable and plug. The decoder is equipped with the RailCom® function.

Maximum motor current: 1.0 A.

The couplings can be controlled only by this decoder. If decoders of other manufacturers are used, the couplings can be damaged.

For further technical specification, see the spec sheet. ([Downloads](#))
