

2nd class passenger coach for semi-fast trains, type Bye 655, DB. With electronic tail light

Epoch:

Art. No.: 867904

2nd class fast train wagon type Bye 655 of the Deutsche Bundesbahn (DB). Epoch IV.

Design with welded roof panels.

The model has electronic tail lights which function already at low frequency currents. However they are only shining in one direction. If the train travels in the opposite direction the red light goes out automatically.

Livery and lettering true to the original. The model has interior design and is equipped ready to install interior lighting. Coupler pocket according to NEM 355 standards with close coupler motion link.
