

Unlock Code z21

**Art. No.: 10818**

€34,90

The z21 activation code is required if you already have your own router. You can then use all the functions (see Art. no. 10814) of the z21 start including the start sets. Please note that extended network knowledge is necessary for this purpose.

Follow this [Link](#) for Code activation

For more details please check our [information sheet](#).
