

Switching power supply 120 Watts

Art. No.: 10857 €99,90

Switching power supply 120 Watts

- Short-circuit protection against overload, overvoltage and overtemperature
- Perfectly with the Z21® Dual Booster, Art. no. 10807
- Input voltage: AC 100–240 V
- Output voltage: DC 20 V
- Output current: 6 A

Specifications:

Electrical

Output current	6 A
Input voltage	100-240 V
Output voltage	20 V
