

Electric locomotive 193 776-2, Lokomotion

Epoch: VI
14+

Art. No.: 739284 €189,90

Electric locomotive 193 776 of the Lokomotion.

- Model in "Zebra" design with characteristic red stripes
- With a new motor and revised gearbox
- The model has a true to original roof design for the use with a DAI-Vectron
- The locomotive is used in the international goods traffic
- The headlights can be completely or partially switched off with a DIP switch

The private railway company Lokomotion, based in Munich, has been operating in the cross-border goods traffic since almost 20 years. It is known for its locomotives in Zebra design. No matter whether they are blue, red, green, silver or multi-coloured - you can be sure that they are always an eye-catcher.
