

Sliding wall wagon, ÖBB

ÖBB

Epoch: VI

14+

Art. No.: 826252

€38,90

Sliding wall wagon type Hbbilns of the Austrian Federal Railways.

New design !

- Delicately designed front and side walls
- Model with separately applied handles and operating rods
- True to original chassis

The two-axle sliding wall wagons of the type Hbbi(II)ns(s) are currently considered standard wagons and practically all European railway administrations use them. The wagon is ideally suitable for transporting weather-sensitive, large-volume and palletized goods.

Specifications:
