

Sliding wall wagon, SBB Cargo

Epoch: VI
14+

Art. No.: 826253 €38,90

Sliding wall wagon, type Hbbillns, of the Swiss Federal Railways.

New design! ■ Delicately designed front and side boards ■ With separately applied handles and operating rods ■ True to original chassis The two-axle slide tarpaulin wagons of the type Hbbi (ll) ns (s) are currently considered standard wagons at practically all European railway administrations. The wagon is ideally suited for the transport of weather-sensitive, large-volume and palletized goods.

Specifications:
